

Midway's Children's Chorus

Seek Participants

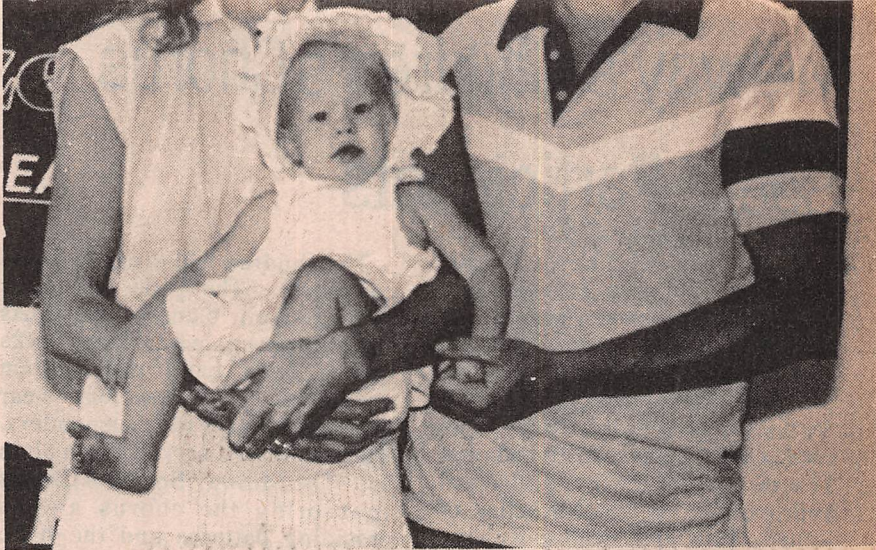

19 July 1984

The Midway Children's Chorus is inviting children between the ages of six and eleven who attend the Midway Elementary School to participate with them as they prepare for Midway's annual Swiss Days celebration. The chorus meets every Wednesday at 11 a.m. in the Midway Third Ward and is under the able direction of Raneva Fish and Monica Kohler.

The children will perform once each day on the town square and will be a part of the parade both days.

The children will dress in Swiss costumes. The girls will wear white peasant blouses, red skirts with an apron, white knee socks and a head band with ribbon streamers. The boys will wear grey, short pants with suspenders, white shirt, red socks and an alpin hat. The Midway Boosters Club is sponsoring the chorus and is providing patterns and the hats, suspenders and head bands.

If you are interested in participating contact Raneva Fish or Monica Kohler or plan on attending their next practice.

Don's Chimney Sweep and Stoves, bring woodburning stoves home to you.
